To Whom It May Concern:

The Northeast for Workers and Economic Development committee intends to make unlimited independent expenditures, and consistent with the US Court of Appeals for the District of Columbia Circuit decision in SpeechNOW v. FEC, it therefore intends to raise funds in unlimited amounts. This committee will not use those funds to make contributions, whether direct, in-kind, or via coordinated communications, to federal candidates or committees.

Bank accounts, webpage and email are not yet determined and we will file an amendment when those details are determined.

Sincerely,

Severence M. MacLaughlin, Ph.D  
Executive Director
